LR 105, 107

SENATOR JOHNSON: Yes, she is in labor right now.

PRESIDENT: All right. You put up a hard argument to... even for a hard Speaker to... Okay, pass that one over. All right, we will go to LR 107. That is Senator Newell's though. We will have to pass that one over. Somebody wants to take it up? All right, who wants to take up LR 107, next one on the list. Who is second on there...? Would Senator Frank Lewis, since he is present here this morning. I think he might be able to take on number LR 107 on behalf of Senator Newell, please. I will let you look at it so you can get one of those famous speeches ready in a second here.

CLERK: Mr. President, LR 107 was introduced by Senator Simon, Newell, Fitzgerald, Hoagland, Venditte, Labedz, Stoney, Johnson, Koch, Pirsch, Brennan, Lewis and Chambers. (Read LR 107.)

PRESIDENT: The Chair takes great delight in introducing and giving the opportunity to Senator Frank Lewis for one of his famous orations on this subject. Senator Lewis.

SENATOR LEWIS: Mr. President, I appreciate those kind remarks. I did walk in today and somebody said there was an article in the small home town paper which I haven't had a chance to read. I have better things than that to do on Sunday so I'm sorry I can't respond in full kind to that but I can tell you once I read it that my heart will be injured deeply and it will hurt. But now that I have got those trivial remarks out of the way on trivial matters, Mr. President, we are proud of the University of Nebraska at Omaha's athletic program. They have done an excellent job and, Mr. President, I move the adoption of the resolution.

PRESIDENT: Are there any further discussion on LR 107? I assume that will be your close, Senator Lewis, so we will proceed then. All those in favor of LR 107 vote aye, opposed nay. Have you all voted? Record the vote.

CLERK: 28 ayes, 0 nays, Mr. President.

PRESIDENT: The motion carries and LR 107 is adopted. Next motion is LR 80 but before that I would like to, on behalf of Senator Lamb, introduce under the North balcony, Mr. Marty Lyons from Chicago. Would Mr. Lyons please stand and be recognized? Welcome to the Nebraska Legislature, Mr. Lyons. The Clerk will then read LR...let's see, it is a motion to return on LB...read the motion. All right, the Chair recognizes Senator Murphy. Relative to your motion on LB 80.
